

2023-24 Sunday Summer Series Orienteering

Waggaroos 2023-24 Summer Series will be conducted on Sunday mornings in various locations around Wagga. A Score format will be used – find as many controls as possible within a set time limit of 30 or 45 minutes, so make sure you bring a watch or phone!

At each control location you will need to find the answer to a multiple-choice question. Points are earned for correct answers; points are deducted for exceeding the time limit. Start anytime between 9am and 10am.
