

Waggaroos membership information, event fees and club colours

Membership: there are two different levels of membership for Waggaroos. These are:

- Senior - membership for a single adult
- Junior - membership for a person under 21 years old

Each of the above levels of membership confers membership of the Orienteering NSW and allows the member to compete in State and Australian Championship events and a subscription to the national magazine, The Australian Orienteer, ONSW e-Bulletins and event programs.

2024 Membership fees:

Senior: \$45:00 per year (remote membership discount)

Junior (10 to 20): \$5:00 per year (remote membership discount)

Junior (<10): \$0:00

Family maximum: \$100 per year

Note: Due to the current limitations of the membership system in Eventor, in a small number of memberships, the Family Maximum amount (2 Seniors + 2 Juniors 10 to 20) will be exceeded when paying for the individual memberships in Eventor. The excess will be refunded. Once paid in Eventor please email office on admin@onsw.asn.au to request refund. These will then be processed weekly on a Thursday.

All membership applications are processed by Orienteering NSW. To join Waggaroos, please use this [Membership](#) link which gives full details of how to join.

Club events, Winter and Summer, are held on Sunday mornings. Times are shown below.

Winter calendar: event start times are available between 10:00am and 11:30am, course closure 1:30pm, after which all competitors must return to the assembly location irrespective of whether they have completed their course, as control collection will commence.

Summer calendar : 9:00am - 10:00am, course closure 11:00am.
